ATAR Master Classes

*Be inspired with teaching by subject experts
and maximise school and exam results.*

About us

Since 1986 Academic Group has helped over 100,000 students and worked with many schools to enable students to achieve academic success.

We have grown by continually evolving to meet the educational needs of WA students and because of the excellent results our students achieve.

Operating as Academic Task Force and Academic Associates, with over 30 years' experience, we have become the experts in providing top-quality revision programs and study resources that help develop the skills and capabilities of students to enable them to reach their full potential.

We are more than a tutoring business; we are a company responsive to the diverse needs of students. We offer a variety of services and we have developed specialised programs and products that have been designed to target students' desire to access the best teachers, receive comprehensive and time-effective revision and result-driven exam preparation.

"I am very proud of our excellent record of quality teaching and the high academic results our students achieve"

Why choose a Master Class?

ATAR Master Classes are specialised courses that will help students maximise their grades and strive for the elite A and A+ scores.

Each week, the teacher will focus on a particular syllabus topic; students will get in-depth explanations and examples with time to practice questions and receive individual feedback and expert coaching from our Master Class teacher.

Our Master Classes will:

- ✓ Inspire success with expert teaching by top subject specialists
- ✓ Work through challenging concepts and difficult exam questions
- ✓ Provide exam tips and hints to maximise exam marks
- ✓ Polish students' performance
- ✓ Be a valuable supplement to the learning from school

ENGLISH MASTER CLASSES: Where a student is at risk of not gaining University entrance because of low English results, we offer an English Master Class that covers practical strategies for students that will greatly improve their marks.
