EXCELLENCE IN EDUCATION

Master Classes provide thorough teaching of the syllabus and offers advanced insights. The teachers have a wealth of experience and knowledge to enrich your understanding. Their dedication to your success will motivate you to reach your subject goals.

Who?

PRESENTERS at APPLECROSS

DR O.T. LEE – author of maths text books including Maths 3A/B, Specialist Maths 3A/B, Maths 3C/D and Specialist Maths 3C/D which are used extensively in WA schools. Dr Lee is an exceptional teacher with extensive experience as a TEE/WACE marker.

DR SARATH CHANDRAN – author of text books in Physics and Chemistry, including Chemistry 2A/B, Physics 3A/B and Chemistry 3A/B. Dr Chandran is an outstanding teacher with extensive experience in subject moderation and TEE/WACE marking.

HEATHER SHARPE – an enthusiastic and inspirational teacher who builds confidence in her students by providing clear structures and practical and successful strategies to help them improve their results. She is a member of the highly successful team of English teachers at Perth Modern School who achieved the state's best English results.

PRESENTERS at SCOTCH COLLEGE

ROB MCCLUSKEY – A highly experienced and knowledgeable teacher who has taught for over 30 years in three states. Rob has been both Head of Department for Science and acting Director of Studies in QLD and is currently a WACE marker for Physics.

TOM IWANOWSKI – A dynamic teacher who has inspired students in both Australia and the UK. Two of Perth's most prestigious boy's schools have employed Tom to share his wealth of knowledge and experience with their students.

DR SUE MIDALIA – an outstanding teacher, Sue's knowledge of Literature and her skills in giving students insights into their texts will inspire students and provide them with highly successful strategies to maximise their results. Dr Midalia is a successful published author and has extensive experience as a TEE/WACE marker.

HEATHER SHARPE – See above.

KERRIE WILLIAMS – a very experienced and competent mathematics teacher who is currently teaching at PLC. Kerrie is a dedicated teacher who is very thorough in her preparation of students. Greg and Kerrie Williams are the editors of the popular Creelman Exam Questions series for Mathematics.

When?

Master Classes offer a variety of days, times and venues. Consult the program for details. Master Classes are an alternative to our Saturday classes as they follow a specific teaching program and are available on different days.

Where?

**ACADEMIC TASK FORCE premises,
Unit 3/872 Canning Highway (cnr Jane Road), APPLECROSS
and
SCOTCH COLLEGE, Kennedy Building, Australind Street, SWANBOURNE**

MASTER CLASSES provide quality teaching in small classes. The program is designed to maximize your learning.

Master Classes provide an alternative to our popular Weekend WACE Help Classes by offering different days and a different format. They are a teaching program which promotes excellence.

Students will be challenged to extend their capabilities and increase their knowledge with the goal of securing significantly higher WACE results.

In this focussed and supportive atmosphere there is ample time for students to ask questions.

Excellent results were achieved by students who attended **ACADEMIC TASK FORCE** Courses in 2011, including 11 General Exhibitions, 7 Subject Exhibitions, 37 Certificates of Distinction (subject scores in the top 0.5%) and 108 Certificates of Excellence (students who achieved 10 A's).

Students report a dramatic boost to their understanding since attending Master Classes.

Previous students say...

"I have increased my understanding and knowledge of difficult concepts."

"I consolidated many concepts that I hadn't fully understood."

"A great boost to my exam performance."
