2010 SATURDAY PROGRAM

ACADEMIC TASK FORCE's special Saturday Classes for Year 7, 8, 9 and 10 students will enable you to keep up-to-date with your work and get help with problems as they arise.

The small groups are designed to deal with student's specific problems. This ensures that you get the help you need and a better understanding of the course content.

- The lessons are interesting and relevant to the school curriculum.
- The teachers are excellent.
- Our small groups (6–8 students) mean you benefit from the teacher's personal attention to your specific needs.

- The classes will also provide extra help and material for the difficult areas of the syllabus.

ACADEMIC TASK FORCE EXCELLENCE IN EDUCATION

Regular Saturday classes help you develop good study techniques and ensure that you keep on top of your work.

Enthusiastic feedback from students, as well as from parents and teachers, tells us that our courses fill a real need.

Excellent results were achieved by students who attended **ACADEMIC TASK FORCE** Courses in 2009, including 10 General Exhibitions, 10 Subject Exhibitions, 47 Certificates of Distinction (subject scores in the top 0.5%) and 83 Certificates of Excellence (students who achieved 10 A's).

That's not all. A majority of students report a dramatic boost to their confidence and achievements since attending our classes. Our students say...

"I now have a greater understanding of the subject and a more positive attitude towards tackling questions previously not understood."

"I have gained greater direction, better focus, more confidence."

I have enclosed an enrolment form for you and one for a friend. Complete your form and mail it to me or fax it to 9317 4468.
