JUNE/JULY

Staffing

As I am sure all parents recognize that we strive, at Cuddles – Bertram to employ a high quality staff body. All staff receive constant training both in the centre and are encouraged to attend outside training through in-services, workshops etc. In the Babies room we have Janet (Qualified) and Jessica (Junior Assistant), In the Toddlers room we have Melissa (Qualified). In the Kindy room, we have Tammie (Senior Assistant). If you have any questions / queries / or input please do not hesitate to see the qualified staff in your child's room and they will only be too happy to assist.

If you have any queries regarding staffing please do not hesitate to see Zoe.

Illness

Please, if your children are unwell, keep them at home. We strive to maintain a clean and hygienic centre which is germ free. If your child displays signs/ symptoms of illness whilst in care we require parents / guardians to collect them immediately to reduce illness being spread.

Toys/Food from Home

Over the past couple of months we have had many children bringing in toys and food from home. Please only allow your children to bring in comforters as other toys are likely to get broken or lost.

If your child is in before 7:30 am Parents are encouraged to bring breakfast for their children, however some children have been coming in with lollies, cake etc at Cuddles we promote healthy eating habits and ask for these types of food to be eaten at home.

If you have any recipes your child particularly likes at home please feel free to bring them in and share them with us, we are always looking for new and exciting recipes for our menu.
