HAY SHED HILL CABERNET MERLOT 2010

Get the Hay Shed Thrill

Revel in the exquisite delights of a truly delectable

Margaret River cabernet merlot.

Some things just seem so exquisitely right. Everything in the right place and in the right proportions. The Hay Shed Hill cabernet merlot is what I would term an exquisitely right wine. Let me explain. This is a very popular blend in Margaret River in particular, where it excels as a quality blended red consistently punching above its weight. But often it is not much more than a fruit bomb – with obvious exceptions.

In this case, winemaker Michael Kerrigan has created a superbly elegant and stylish wine with a degree of sophistication normally associated with the best examples of this blend. It has a controlled linear structure and persistent fruit flavours that carry effortlessly to a long finish.

Everything just seems to work together as it should and the result is a super wine offering tremendous value.
