

GENERAL INFO

EXTRA HEAVY DUTY WATER FILTER HOUSING

The Puretec MPX Series is an extra heavy duty housing with brass inlet and outlet support, rust-proof and anti-flex aluminium bracket, with the peace of mind of Puretec's 10 year guarantee^.

The MPX Series features the new Puretec registered bracket design. These brackets are aesthetically appealing complete with a modern matt black finish that looks great on the side of any house or building. The design however is not only about looks, the new registered design ensures the system is stronger and much more rigid. They are engineered using lightweight materials and feature easy mounting points.

The housing can be used in a wide variety of applications and is compatible with a wide range of water filter cartridges (sold separately). Select a cartridge that best suits your situation/water source. For cartridge selection advice contact your local Puretec dealer or call our Puretec Customer Service Helpline.
