

36th annual convention

INDUSTRIAL RELATIONS SOCIETY OF WESTERN AUSTRALIA

>> QUAY WEST RESORT BUNKER BAY – BUNKER BAY ROAD
DUNSBOROUGH 26 - 28 OCTOBER 2007

IR CHOICES FOR THE FUTURE

Industrial relations has maintained its position as a major issue in Australian media and politics since our last convention.

Back then we were talking about the likely impacts of the WorkChoices reforms on our booming Western Australian economy. This year we hope to reflect on significant impacts and proceed to focus on the outlook of Western Australian IR and choices for our future. The convention program will highlight speakers from local, national and international IR landscapes with a view to addressing progressive strategy on dispute management and agreement making, as well as to consider broader impressions on society, governance and everyday IR practice. We expect delegates will enjoy an illuminating update on Australian IR and benefit from discussing the rapid evolution of our IR future.
