International Corporate Training!

National Corporate Training has signed it's first international agreement with International English.

International English is an International training company specialising in TESOL.

International English has been appointed the official NCT agent for Indonesia. We will be working together to roll out VET in Schools to schools throughout Indonesia.

Vocational Training in Indonesia has a long history and we hope to enable students to gain Australian training qualifications while still at school.

We also met with Ibu Elslee from SMKN32 a Vocational School based in Jakarta. They have four kitchens, sewing rooms and a Hotel. We are currently in discussions and hope to assist the school be the first school to adopt VET in Schools in Indonesia.

**Participants: Ibu Elslee
Principal SMKN32

VET in Schools Induction Day

The VET in Schools Induction Day scheduled for 24th and 25th November has a home—The Boulevard Centre Floreat.

Located at 99 The Boulevard (Lower Level Cambridge Library the Floreat Forum Shopping Centre) is centrally located for our schools. In the next couple of weeks teachers will receive a

flyer about the day.

For a virtual tour go here <https://www.cambridge.wa.gov.au/facilities/town/boulevard/panorama.html>

Any questions please email vet@nct.net.au or call 08 9249 4008.

Please note if you are a current customer the day is free for all teachers. If you are

looking to change your RTO—the cost is \$150 per school which will be refunded when you sign a Memorandum of Agreement for 2009.

Bookings for the November Induction Day's have now closed but we will be running a follow up in February for all remaining teachers. A flyer will be in the mail advising of when, where and the agenda for each day.

Your key to the future

Who are we? National Corporate Training Pty Ltd is a highly respected registered training organisation located in Malaga, Perth. We currently have over 5500 students enrolled in a variety of courses including Business, Information Technology, Child Care, Hospitality, Training and Assessment and Trades areas. We have been in operation since November 2000 and were a finalist in the Wanneroo Small Business Awards in 2005. We are an incorporated Pty Ltd company with dedicated staff to support your employees in training and assessment. Our client geographic base ranges from WA to Indonesia.

Frontline Management Landmark Auspicing Deal

NCT has just signed an exciting deal to auspice over 20 front line management staff in a top 500 engineering company.

The training is being performed by both the company and by NCT staff.

The training will mean that participants will complete a Cert IV in Front Line Management, nationally accredited and recognised throughout Australia.

By completing the course the company hopes to improve the standard of front line management and give their employees real skills which they can use in the workplace.

Auspicing is available to all compa-

nies currently doing in-house training. Auspicing is a system which allows your training to be accredited by a Registered Training Organisation (National Corporate Training is an RTO) and give national accreditation to your internal training. We can accredit training in over 46 areas including computer training, business, Safety, Training and Assessment, Child Care, Hospitality and Front Line Management.
