Growing Region Frankland River, Western Australia.

Technical Details Alc. 14.0% pH 3.57 TA 6.0 g/L

Appearance Dark crimson.

Nose Complex, yet distinctive Cabernet Sauvignon aromatics of mulberry and blackberry with lifted highlights of cedary oak.

Palate A long and powerful palate, textured with dark plum and blackberry, cedary French oak and layered tannin.

Vinification Warm and compressed, the 2007 vintage was the antithesis of the cold 2006 season. The warmth allowed firm ripe flavours, making rich red wines of opulence. Cabernet Sauvignon was harvested in the cool of the night, and allowed to macerate cold prior to fermentation. During fermentation, a combination of pumping over and plunging assists the extraction of tannin and flavour. Following a short post ferment maceration, maturation proceeds for 18 months in new French oak prior to bottling.

Cellaring Will benefit from up to 10 years careful cellaring.

Winemaker's Comments The Majestic Cabernet Sauvignon is a fine example of Frankland River Cabernet at its best. Cellar for further rewards.

Serve Room temperature – 18°C.

Food Enjoy with osso bucco, roasted duck or mature cheeses.
