The Manager – Company Announcements Office  
Australian Stock Exchange Limited  
10<sup>th</sup> Floor, 20 Bond St  
SYDNEY NSW 2000

Dear Sir,

## **Platinum Australia Limited Commences Trading on London AIM Market**

**Platinum Australia Limited (ASX: PLA) is pleased to announce that it was admitted to the AIM Market in London on 30 November 2005 trading under the code PLAA.**

Platinum Australia Limited believes that the dual listing on AIM will increase the Company's exposure in the London and European markets which have traditionally had a strong focus on African resources and platinum group metals in particular.

Commenting today, John Lewins, Managing Director of PLA said: "The combination of our strong historical presence in the Australian market combined with the increased exposure to the London and European markets, provides PLA with the depth of support necessary for the Company to move from explorer/developer to mid tier producer in a relatively short time frame".
