# Reader Bifocal

**Standing away 35cm, remove any visual aids - the first line you have difficulty reading is a magnification you require**

<b>Safety Reading Glasses</b>	<b>+</b>	<b>3.00</b>
<b>Frameless translucent design</b>	<b>+</b>	<b>2.50</b>
<b>Lens has built in bifocals</b>	<b>+</b>	<b>2.00</b>
<b>Extremely lightweight</b>	<b>+</b>	<b>1.50</b>
<b>AS/NZS 1337:1992 medium impact</b>	<b>+</b>	<b>1.00</b>

312-OP-LBGRX Light Blue Tc: 37%

312-OP-CLRX Clear

*Don't waste your money on costly prescription safety glasses if you only need reading glasses! These safety glasses feature lenses with **bifocals moulded directly into the lens**. Now you can read in a hazardous environment without having to remove your safety glasses. All bifocals lenses are polycarbonate, provide 99% UV protection and comply to the Medium Impact (45m/s) criteria of AS/NZS 1337:1992*

**WE RECOMMEND REGULARLY SCHEDULED EYE EXAMINATIONS  
 TO HELP YOU MAINTAIN HEALTHY EYES**
