Baby Booties

Available in 5 sizes for babies 0–24 months

First Walkers

Available in sizes 3–9, for kids ages 6 months to 3 years

Big Kid Shoes

Available in sizes 8–13, for kids ages 2–6 years

Add for Wiggle Room

Allow an extra 1/2 to one centimeter when selecting a size, more if the child will wear socks with the shoes. Your child's toes will thank you!

Round Up

If your child's foot falls in between sizes, round up. The extra room won't be there for long.

Measure Often

Children's feet grow quickly. Measure at least every 2 months during the first year, and every 3 months from 1–6 years old.
