Category	Available in
Baby Booties	5 sizes for babies 0-24 months
First Walkers	whole sizes 3-9, for kids ages 6 months to 3 years
Big Kid Shoes	whole and half sizes 8-13, for kids ages 2-6 years

Tip	Text
Add for Wiggle Room	Allow an extra 1/2 to one centimeter when selecting a size, more if the child will wear socks with the shoes. Your child's toes will thank you!
Round Up	If your child's foot falls in between sizes, round up. The extra room won't be there for long.
Measure Often	Children's feet grow quickly. Measure at least every 2 months during the first year, and every 3 months from 1-6 years old.
