We have a full sound and lighting department and can organize anything from a single piece of equipment to a full concert outfit. If you require it, we can show you how to operate our hire equipment.

We involve ourselves in both indoor and outdoor venues. If you are handy, you can pick up and do it yourself or we can deliver and set up for you. Our hire manager, **Chris Stace** will do all he can to ensure you receive the professional assistance you expect. An experienced operator can also be provided if you require one.

Sales Assistance -

For advice on purchasing any of our lighting, sound or staging please ask for **John Culverhouse**. He will work with you to make sure you get the right equipment to suit your needs. He can also offer some ideas on how to update or improve your old equipment or set-up.

Make up Advice -

Require prices or ideas for makeup? **Rudy or Chrissie** will be happy to make sure you get the right item for your needs.
