

Chiropractor Required for Prestigious Perth CBD Health Clinic

Bodysmart Health Centre employs a network of health professionals in a range of health care environments, including Private Clinics and Corporate Health.

We are seeking a Chiropractor for our health clinic located on St Georges Terrace in Perth. This growing practice opened in May 2010 and features state of the art equipment including a Brand New ABCO Premium Chiro VC treatment table.

The successful applicant will join our growing team of health professionals to provide Chiropractic Treatment to upmarket city based clientele. Being our primary Bodysmart Chiropractor, the successful applicant will receive all Chiro clinic referrals!

Essential attributes:

- A minimum of 1 year private practice experience
- Strong communication, interpersonal and time management skills
- Possess a high standard of clinical Chiropractic skills

Desired attributes:

- Have a holistic health focus and with an interest in rehabilitation
- Have experience working in a multidisciplinary inter referral clinic

Position Details:

- The position will commence as part time (3 days a week) and grow to full time, leveraging off extensive referral avenues, peer support and tested growth strategies
- Existing client base and clinic marketing program provided
- **Immediate start available.**

This position is an excellent opportunity for a keen Chiropractor who wants to build a city based practice.
