

Hiflex/Marineflex Light Corrugated Suction

Applications:

Flexible PVC suction hose designed as a discharge hose for bilge and pond pumps.

Also used as dust extraction and a light duty airseeder.

Colour: Black with rigid PVC spiral reinforcement.

Working Temp: -5 to 60 degrees C

Features:

Black flexible PVC hose with rigid PVC embedded spiral. Smooth inner with a corrugated outer for superior flexibility.

Excellent U.V. resistance.
